## Publication terms of Dresden International University (DIU)

### 1 Assignment of rights to the repository provider

1. I transfer the simple, unrestricted right of use to the DIU to electronically store and process the above-mentioned publication(s) with the associated metadata including the abstract, to make them publicly accessible in data networks such as the Internet and to make them available via technical interfaces such as OAI.
2. I grant DIU the right to report and distribute the above-mentioned article(s) with the associated metadata including the abstract to other institutions, among others within national collective orders, in particular for the purpose of long-term archiving.
3. I agree that the metadata (without abstract) will be published under the license Creative Commons Zero (CC0, see <https://creativecommons.org/publicdomain/zero/1.0/>).
4. I agree that, for the purpose of archiving, copies of the document(s) and conversions into other electronic or physical formats may be carried out, while maintaining the integrity of the original content.
5. I may revoke this/these assignment(s) of rights by providing reasonable grounds. If there are no legal constraints, access to the article(s) will no longer be made available.

### 2 Declaration of Copyright and Personal Rights

1. I declare that I have the right of use of all parts of the work and that the rights of third parties, in particular copyrights and personal rights of third parties, are not infringed upon by this (these) article(s). If alleged or actual infringements of any third party rights are asserted, I will inform the repository provider immediately.
2. I declare that the electronic version of the Bachelor/Master thesis is identical to the submitted print version. I confirm that it corresponds to the version of the thesis approved by the examiner or examination board, in accordance with the requirements of the study and examination regulations of the DIU.
3. I agree that the personal data of myself and others, which may be present in the article(s) and in the metadata, may be made publicly available.
4. I declare that all parties involved in the article(s) have been informed of the intended publication and have consented to the use of their contributions in the manner explained above.

### 3 General information

1. Author(s) or other right holder(s) shall check the metadata, which DIU may change and complete if necessary, and the online version of the article(s) after processing by the DIU for completeness, authenticity, and legibility.
2. DIU does not pursue any economic interests with the publication. For the publication of the above-mentioned article(s), author(s) or other right holder(s) do not receive any remuneration from DIU.
3. Author(s) or other right holder(s) are free to dispose of the work in any other way as long as this does not restrict the rights granted to DIU in this declaration.
